## 2008 Las Vegas Children's Fitness Challenge

### Children's Fitness Challenge – July 2008 – Las Vegas

“Thank you Dwayne,” shouted forty youngsters into the video camera as the event came to an end. With their certificates in hand and their Underarmour/Rock Foundation shirts on their backs, these children were proud of their accomplishments as well having fun. They all wanted to thank Dwayne Johnson for providing them the opportunity to compete and support the Rock Foundation. “Dwayne would have loved to have been at the Tri-Fitness event this weekend, but had to fly to Europe to promote the recently release film, Get Smart,” stated Rock Foundation director Katie Kornfield.

The Children's Event was held prior to the Women's and Men's event. “These are the women and men athletes of tomorrow and it is exciting for the parents to watch them and for them to watch their parents,” said event coordinator Lindsey. A special thank you goes out to FRS for providing their antioxidant health drink for everyone. In addition, MET-RX was in attendance with their nutritional products for all to enjoy!  
(see [www.djrockfoundation.org](http://www.djrockfoundation.org) for information about sponsoring a challenge)
